INTERNSHIPS

WHO: Undergraduate and Graduate Students in good academic standing who are interested in applying classroom knowledge in applied research and outreach environments. Junior and Senior standing preferred.

WHAT: 250-400 hours of paid, on-the-job training and experience with Extension Professionals in various outreach education and research environments.

WHERE: 24 County Extension Offices & 4 Research and Education Centers across the State of Maryland. Contact your local Extension office or visit us online at: <https://extension.umd.edu/locations>.

WHEN: For best consideration, applications for summer internships should be submitted by March 23, 2018. Semester selection based upon availability. Interested students should submit (1) a letter detailing their interest in an internship (How will your experience with University of MD Extension help you to achieve your career goals?) and their preferred work location among our 29 [office locations](#), along with an unofficial college transcript, to twitty@umd.edu

University of Maryland Extension (UME) is a statewide, non-formal education system provided by the University of Maryland and the University of Maryland Eastern Shore.

UME educational programs and problem-solving assistance are available to citizens and are based on the research and experience of land grant universities.

The University of Maryland is an Equal Opportunity Employer. Minorities and women are encouraged to apply.
