

NAME \_\_\_\_\_

## MODULE 5: DRIVERS (STAFF/VOLUNTEERS)

### PRE-TEST

Please check “true” or “false” for each sentence.

**TRUE    FALSE**

1. Washing hands is one of the best ways to lower the risk of foodborne illness.
2. If a staff or volunteer driver has a sore throat and a fever, but has no trouble driving, it is fine for him or her to go ahead and deliver meals.
3. Bacteria grow fastest at temperatures between 41°F and 135°F, known as the temperature “danger zone.”
4. Insulated meal containers can be left open during a route so that the driver can get meals out more easily during delivery.
5. It is fine to bring a dog along during meal delivery, as long as the dog is not aggressive.
6. If a client leaves a note for the driver to leave the meal in a cooler at the door, the driver should respect the client’s wishes.
